Lateesh Yadav

PHP Laravel Developer | Web Developer | Backend Developer | 3+ Years Experience

Raipur, Chhattisgarh, India · +91 8224095090 · Lateeshyadav@gmail.com · github.com/Lateeshyadav

Professional Summary

Results-driven PHP Laravel Developer with 3+ years of experience in web application development, REST API development and MySQL database management. Built a complete appointment booking system and integrated the Razorpay payment gateway. Skilled in Laravel MVC architecture, CRUD operations, admin dashboards and responsive front-end development with HTML5, CSS3, JavaScript and Bootstrap 5. BCA and MCA qualified. Strong problem solver with prior experience in team supervision and operations management.

Core Competencies

PHP Development · Laravel Framework · MVC Architecture · Object-Oriented Programming (OOP) · Eloquent ORM · Database Migrations · REST API Development · MySQL Database Design · CRUD Operations · Admin Dashboard Development · Payment Gateway Integration (Razorpay) · Third-Party API Integration · Appointment Booking System · Web Application Development · Backend Development · Responsive Web Design · Bootstrap 5 · HTML5 · CSS3 · JavaScript · jQuery · AJAX · PostgreSQL · API Testing (Postman) · Agile Methodology · Debugging and Problem Solving · Git and GitHub Version Control · Team Coordination

Technical Skills

- **Backend:** PHP, OOP, Laravel (MVC, Eloquent ORM, Migrations, Artisan, Composer), RESTful APIs, CRUD operations, authentication and admin panels, Laravel Sanctum / JWT authentication, queues and caching, PHPUnit testing
- **Database:** MySQL, PostgreSQL, database design, SQL queries
- **Frontend:** HTML5, CSS3, JavaScript, jQuery, AJAX, Bootstrap 5, responsive design
- **Integrations:** Razorpay payment gateway, third-party API integration
- **Tools:** Git, GitHub, Postman (API testing)
- **Languages:** English, Hindi

Work Experience

Web Developer | Rays IT & Design World Pvt Ltd | Jan 2023 – Present

- Develop and maintain scalable, database-driven web applications using PHP, Laravel and MySQL
- Design and implement CRUD operations, RESTful APIs and admin dashboards
- Integrate the Razorpay payment gateway for secure online payment processing
- Built a complete appointment booking system with separate user and admin functionality
- Create responsive user interfaces with HTML5, CSS3, JavaScript and Bootstrap 5

Supervisor | Velex Logistics | Dec 2021 – Nov 2022

- Supervised team performance and managed warehouse operations
- Improved delivery processes to increase efficiency and reduce delays
- Coordinated with staff and prepared operational reports

Assistant Operations | DTDC Courier | Apr 2019 – Nov 2021

- Managed day-to-day courier operations
- Monitored shipment tracking and oversaw dispatch management
- Resolved customer queries and ensured smooth coordination

Key Projects

Appointment Booking System | Laravel, PHP, MySQL, Bootstrap 5

- Built an end-to-end appointment booking web application with a user panel and an admin panel
- Implemented booking management, CRUD operations and an admin dashboard
- Integrated the Razorpay payment gateway for secure online payments

REST API and Admin Dashboard Development | Laravel, MySQL

- Developed RESTful APIs for web applications and built admin dashboards for managing application data
- Applied MVC architecture and clean, maintainable coding practices

Education

Master of Computer Applications (MCA) | Mats School of Information Technology | 2019 – 2021

Bachelor of Computer Applications (BCA) | Seth Phoolchand Agrawar Smriti College | 2015 – 2018
